- 2. The Pledge of Allegiance was recited.**
- 3. Heather read the minutes of the 2016 Annual Meeting. Dave noted that the chassis for the fire tender came from Packer City International in Shawano and that the road repairs on Degantown Road would go from CC north to Sandy Corners. Chad Holtz moved to accept the minutes as corrected; Bill Kamke seconded; motion carried.**
- 4. Sue read the financials for last year. Mary Renel moved to accept the financial report; Bob Aprill seconded; motion carried.**
- 5. Dave stated that the Degantown Road work is being put out for bids in tomorrow's Times-Herald. Bids will be opened at the May 8 Town Meeting.**
- 6. Dave passed out decals to be put on Town residents' windshields to identify them when they go to the recycling center in Oconto Falls. Garbage is now being picked up every week. The Town had dumpsters at the Town Hall this past Saturday and will have them again on August 19 and October 21.**
- 7. Dave read the Fire report. Seven fire calls were mostly rescue but included two fires and one motor vehicle accident. The Ambulance report will be given at our May 8 Town Meeting.**
- 8. The doors were fixed.**
- 9. The tender was sold for \$15,000 to the Town of Riverview.**
- 10. We have a new Town website: townofocntofalls.org. There is a Contact portion, which is monitored by Sue Konitzer.**

- 12. Chad Holtz' question on the cost of garbage pickup sparked a lively discussion. Sue said the cost is \$11.83 per month per property, which is paid on the tax roll. Mike Kaczmarek suggested Sue put a question about recycling and garbage pickup on our website to get some feedback from residents.**
- 13. Rod Fifield questioned snow-plowing services and priorities; more discussion.**
- 14. Gwen Holtz was not happy that, while the Town of Oconto Falls does allow ATVs on roads, the Town of Morgan does not. She'll ride hers on the OF side of Holtz Road.**

- 16. At 7:40 p.m. Terry Renel moved to adjourn; Chad Holtz seconded; motion carried.**

**Respectfully submitted,
