Our Curbside Garbage Contract will expire on December 31. The bids we got had a per household charge with the disposal included. This increased our curbside costs significantly since many of our households do not put their garbage out every week. Matt Boutott from GFL was present. A motion was made by Peterson to table the decision until next month when the new proposal can be voted on, seconded by Kaczmarek. Motion carried.

Bobbie Krozell will resign as our building inspector as of July 31. We contacted the other building inspectors working in Oconto County. Duff Leaver has expressed interest in taking over for Bobbie. Public Discussion- Roger Kane asked about the amount of recycling that goes into the trash we pay disposal on. Mogged believes the households who do not recycle have never recycled and there isn't a way to police it. He also asked about the building inspector fees and who sets them. The building inspector would set them. Sharon Wenzel asked where we are in the building process. The Town is still trying to find suitable land to build a Town Hall on, we know we need to build new. Keith Meyers asked about looking into ways to hook a generator directly into the Town Hall in case of an outage.

Town Board Discussion-Kaczmarek-Tractor/mower is repaired and Gordie will start mowing ROW again. Mogged-The Electronics recycling event went really well. A total of 9300# was collected from approximately 75 vehicles. People are already asking if we will do it again next year. Mogged also reminded the board she will be out of the office from June

17th to the 25th. An email message will be set up for those out of office dates with the message to contact Rieth if something needs to be handled immediately. Rieth- The Town of Oconto Falls has 1 foreclosure for nonpayment of taxes. Alsteen-The contractor hasn't started Busy Nook yet. He reminded the public, the board will be doing pavement rating, road inspections on June 23 and 24 from 3:30 to 5:30.
