Annual Town Meeting – 4/15/2025 at 7pm

Big Dumpster Day will be held April 19th

Open Book will be held April 17 from 2-4pm. BOR will be held on May 6 from 5-7pm.

The Town Hall Build/Renovate Adhoc Committee was assigned the task of determining if it was best to renovate the existing town hall or build new. After exploring all facets of that subject, it has become clear it would be better to spend the money building new. Because their task is complete, and the board will continue with the next steps, Peterson made the motion to dissolve the adhoc committee, Kaczmarek second. Motion carried.

Public Discussion- Mary Renel asked how you would get a lift assist. She was told to call 911. An ambulance would be dispatched and determine the next step. Gail Schroeder suggested a few sites for an equipment storage building. Mary Renel asked what the benefit would be to have our own recycling center.

Town Board Discussion-Kaczmarek-How are we handling brush in the ditch after the ice storm? Dave will have Gordie move what he can. Mogged-Weight Limits will come off April 21st at 3pm. The collapsed culvert on Milwaukee Ln will be replaced tomorrow. Tonia, the County Physical Address Coordinator let me know the road signs at Holtz/Konitzer and CC and Renel Ln are very faded. People have complained to me about the condition of Konitzer Road from Maple to Ostrenga. The spring election went really well. Handouts for the electronics recycling event were available at the election.

The motion to adjourn was made by Peterson, second by Kaczmarek. Motion carried.

Susan Mogged, Clerk
