The meeting was called to order at 6:45pm by Chairman Dave Alsteen.

The 2 bids received for the Chestnut Rd rebuild between Busy Nook Rd and Beaver Lake Rd were opened at the regular April meeting of the Town Board. The bids were Duame Sand and Gravel \$96,568 and Richlein Construction \$59,695. It was determined Duame's bid included \$15,300 extra stone through the swamp and extra work for the ditching process. LRIP grants require you to take the lowest bid. But, because there was extra work included in the one bid, we needed to get clarification on whether the Town could accept the higher bid or if because the lower bid, bid to the specs of the job, the Town had to accept the lower bid. The decision was moved to a special meeting to be held April 21, 2026 at 6:45. After clarification, the Town was required to accept the lower bid. Kaczmarek made the motion to accept the bid of Richlein Construction, Peterson second, motion carried.

Kaczmarek made the motion to adjourn, Peterson second, motion carried.

Respectfully submitted,
Susan Mogged, Clerk
